Little Woman Love

Paul McCartney

I got a little woman I can really love, My woman fit me like a little glove. You know I'll always love my little woman love.

I take her home most ev'ry night, My woman love to hold me tight. You know I feel alright my little woman mine.

Oh yeah, oh yeah,
Oh, oh, oh, oh, oh.
Oh yeah, oh yeah,
Oh, oh, oh, oh, oh, oh.

I take her home most ev'ry night, My woman love to hold me tight. You know I feel alright, my little woman mine.
