Paul McCartney

Don't look at me
It's way too soon to see
What's gonna be
Don't look at me

All my life
I never knew
What I could be, what I could do
Then we were new.

You came along
And made my life a song
One lucky day
You came along.

Just in time
Well I was searching for a rock
You came along
Then we were new.

We can do what we want,
We can live as we choose.
You see there's no guarantee,
We got nothing to lose.

Don't look at me,
I can't deny the truth
It's plain to see
Don't look at me

All my life
I never knew
What I could be, what I could do
Then we were new.

We can do what we want,
We can live as we choose.
You see there's no guarantee,
We got nothing to lose.

Don't look at me
It's way too soon to see
What's gonna be
Don't look at me

All my life
I never knew
What I could be, what I could do
Then we were new.

Then we were new.
Now we are new.
