Your Loving Flame

Paul McCartney

How can I hope to reach your love Help me to discover What it is you`re thinking of

`Cos when we kiss, nothing feels the same I could spend eternity Inside your loving flame

What am I to do If I don`t have you I`ll be feeling blue Just sitting here without you You could be the one To chase my blues away, away

So tell me how, how to reach your love Help me to discover What it is you`re thinking of

`Cos when we kiss, nothing feels the same I could spend eternity Inside your loving flame

What am I to do If I don`t have you I`ll be feeling blue Just sitting here without you You could be the one To chase my blues away, away

`Cos when we kiss, nothing feels the same I could spend eternity Inside your loving flame

So tell me how, how to reach your love Help me to discover What it is you`re thinking of

How can I hope to reach your love Here forever in your loving flame
