Nixon's Spirit

Paul Oakenfold

Girl: This is a message for Paul Oakenfold...eh...how are you? Its Anita Baymont Hunter Thompson's assistant, I'm going throug h the messages, just getting back to you to let you know that Hunter did get th e CD's, I've listened to them and I'm excited and Hunter has listened t o them and ... he is interested. So eh we'll give you call back in a couple of days, yeah so um great stuff we'll talk soon thanks bye. Hunter: Let me just read this. Nixon's spirit will be with us for the rest of our lives whethe r your are me or Bill Clinton or you or Kurt Cobain or Bishop Tutu or Keith R ichards or Aimee Fisher or Boris Yeltsin's daughter or her finance's sixteen year old b eer drunk brother with his braided goatee with his whole like a thunder cloud rig ht in front of him. This is not a generational thing you don't even have to know wh o Richard Nixon was to be a victim of his ugly nazi experiments. He has poisoned our water for ever. Nixon will be remembered as a classic case of a smart man shitt ing in his own nest, but he also shit in our nest and that was the crime that history will burn on his memory as a brand.

By disgracing and degrading the presidency of the United States , by fleeing the White House like a diseased cur,

Richard Nixon broke the heart of the American Dream...
