Richest Man On Earth

Paul Overstreet

I've heard tell of millionaires And billionaires and such Who gathered all their treasures And still did not have enough

If money could buy peace of mind I guess they'd have it all But all the money in the world Wouldn't hold you when you fall

We've got a roof over our head
And the kids have all been fed
And the women I love most
Lies close beside me in our bead
Lord, give me the eyes to see
Exactly what it's worth
And I will be the richest man on earth

Lord, when I wish I had the things That you gave someone else I pray that you'll forgive me For just thinkin' of myself

I haven't been as thankful
As I know I ought to be
I should be more then satisfied
With all you've given me

One thing is for certain

It don't matter when you die

If you had a million

Or if you just got by

yes, I will be the richest man on earth
