

# Be My Friend

Paul Rodgers

All I need is a friend  
Some one to give me a helpin' hand  
When I'm afraid in the night  
Someone to squeeze me  
And tell me it's alright

You know I worry such a lot  
And I would give all I've got  
Just to have someone believe in me  
Just to do that and put me  
Back on evenly.

Baby, baby, be my friend yeah yeah  
Baby, baby, my friend  
Baby, baby, be my friend  
I will love you, love you to the very end.

Yeah Yeah Yeah

Now you make me feel  
A stronger love than anyone  
I've ever know

Oh, I need someone like you  
You give me something so strong and true.

Oh, Baby, baby, be my friend  
Baby, baby, baby baby baby I wanna love you  
I wanna keep on lovin' ya  
Be my friend  
I wanna love you, love you, Love you  
Be my only woman

Baby, baby, baby, baby, be my friend  
I need to love you, I got to love you, I want to love you  
I wanna keep on keepin' on lovin' you

Baby, baby, baby, baby, baby, baby, baby, baby, baby,  
I will love you, love you, love you, love you to the very end.
