There's always magic in the air when my love is standing there There's always magic in the air, she catches the sunlight in he r hair

Love rains, rain, rain, rain, love Rains, rain, rain, rain, love rains.

There's always sunshine in the sky when my love is standing by There's always sunshine in the sky, she catches the sunlight in her eyes

Yeah, yeah, so love rains, rains, love rains Oh, rain, rain, love rains.

Sometimes the mystery in her smile She's keeping her secret, that's her style Love rains, rains, love rains Oh, rain, rain, rain, love rains.

Love rains, rains, love rains It's gonna rain, love rains.
