He's a one trick pony
One trick is all that horse can do
he does one trick only
It's the principal source of his revenue
And when he steps into the spotlight
You can feel the heat of his heart
Come rising through

See how he dances
See how he loops from side to side
See how he prances
The way his hooves just seem to glide
He's just a one trick pony (that's all he is)
But he turns that trick with pride

He makes it look so easy
He looks so clean
He moves like God's
Immaculate machine
He makes me think about
All of these extra movements I make
And all of this herky-jerky motion
And the bag of tricks it takes
To get me through my working day
One-trick pony

He's a one trick pony He either fails or he succeeds He gives his testimony Then he relaxes in the weeds He's got one trick to last a lifetime But that's all a pony needs (that's all he needs) He looks so easy He looks so clean He moves like God's Immaculate machine He makes me think about All of these extra movements I make And all of this herky-jerky motion And the bag of tricks it takes To get me through my working day

One-trick pony, one trick pony One-trick pony, one trick pony One-trick pony (take me for a ride) One trick pony
