

# Do You Love Me

Paul Stanley

You really like my limousine  
You like the way the wheels roll  
You like my seven inch leather heels  
And goin' to all of the shows, but

Do you love me, do you love me  
Do you love me, really love me

You like the credit cards and private planes  
Money can really take you far  
You like the hotels and fancy clothes  
And the sound of electric guitars, but

Do you love me, do you love me  
Do you love me, I mean like do you  
Really love me

You really like rock 'n' roll  
All of the fame and the masquerade  
You like the concerts and studios  
And all the money, honey, that I make, but

Do you love me, do you love me  
Do you love me, really love me

Your backstage pass and black sunglasses  
Make you look just like a queen  
Even the fans, they know your face  
From all of the magazines, but

Do you love me (do you love me)  
Do you love me (do you love me)  
Do you love me (do you love me)  
Really love me (really love me)  
I wanna know

Do you love me (do you love me)  
Do you love me (do you love me)  
Do you love me (do you love me)  
I mean like do you  
Really love me (really love me)  
I wanna know  
Do you love me (do you love me)  
Do you love me (do you love me)  
Do you love me (do you love me)  
I mean like do you  
Really love me (really love me)

I want you to (do you love me, do you love me)  
I need you to (do you love me, do you love me)  
And you know I'm so tired of everybody sayin' it  
And you know, (do you love me, do you love me)  
I just gotta know if you really really really, really love me  
(do you love me, do you love me)  
So come on, do you love me (do you love me)  
I need you to  
Do you love me (do you love me) I want you to

Do you love me (do you love me) I need you  
Really love me (do you love me)  
I wanna know  
Do you love me (do you love me) do you, do you  
Do you love me (do you love me)  
I just got to have some love (do you love me, do you love me)  
I just got to have some love (do you love me)  
I just got to have some love, love, love, love, love
