

## Strutter

Paul Stanley

I know a thing or two about her  
I know she'll only make you cry  
She'll let you walk the street beside her  
But when she wants she'll pass you by

Everybody says she's lookin' good  
And the lady knows it's understood  
Strutter

She wears her satins like a lady  
She gets her way just like a child  
You take her home and she says "Maybe, baby"  
She takes you down and drives you wild

Everybody says she's lookin' good  
And the lady knows it's understood  
Strutter

I know a thing or two about her  
I know she'll only make you cry  
She'll let you walk the street beside her  
But when she wants, she'll pass you by

Everybody says she's lookin' good  
And the lady knows it's understood
