

English Rose

Paul Weller

No matter where I roam
I will return to my English Rose
For no bonds
Can ever tempt me from she

I've sailed the seven seas
Flown the whole blue sky
I've returned with haste
To where my love does lie

No matter where I go
I will come back to my English Rose
For no one
Can ever keep me from she

I've searched the secret mists
I've climbed the highest peaks
And caught the wild wind home
To hear her soft voice speak

No matter where I roam
I will come back to my English Rose
For no bonds
Can ever tempt me from she

I've been to ancient worlds
I've scoured the whole universe
And caught the first train home
To be at her side

No matter where I go
I will return to my English Rose
For no bonds
Nothing and no one can ever keep me from she
