

# I Shall Be Released

Paul Weller

They say everything can be replaced,  
They say every distance is not near.  
So I remember every face  
Of every man who put me here.  
I see my light come shining  
From the west down to the east.  
Any day now, any way now,  
I shall be released.

They say every man needs protection,  
They say every man must fall.  
So I swear I see my reflection  
Some place high above this wall.  
I see my light come shining  
From the west down to the east.  
Any day now, any way now,  
I shall be released.

Somewhere next to me in this lonely crowd,  
Is a man who swears he's not to blame.  
All day long I hear him cry so loud,  
Calling out that he's been framed.  
I see my light come shining  
From the west down to the east.  
Any day now, any way now,  
I shall be released.  
(Yeah, yeah)  
Any day now, any way now,  
I shall be released.
