

# The Weaver

Paul Weller

Can you put a smile back on - all these different faces  
Of all these people from - such different places  
And if you can succeed - what then will you achieve  
With a different tune to play - you've been saving for a rainy  
day  
Will you heal the scar that's on - the years been wasted  
The tears spent on the past - just filling spaces  
Or is love forever gone banished to a smaller part  
Hide behind your wall and start - to get to the very heart

An' if you wanna shoot the moon - make sure that you know why  
Careful fly too soon - better let someone else try

I'm the weaver of your dreams - I get rid of your bogeyman  
I'm here to smash the shell you're under  
An' get you into another thing -  
I'm the weaver of your dreams - I put paid to the rocketman  
I'm here to break the spell you're under  
And get you started with another plan

Could you put a kiss back on - the lips so twisted  
Waiting for the chance to start - dipping into wishes  
Or is love forever gone - banished to a smaller part  
Hide behind your wall and start - to get to the very heart

And in the midst of the darkest night  
Think of me and hold me tight  
So that I might live to see  
All the weaving of my dreams
