

## Wishing on a Star

Paul Weller

I'm wishing on a star  
To follow where you are  
I'm wishing on a dream  
To follow where you'll be

And I'm wishing on all the rainbows that I see  
Wishing on all the people, who've ever been  
And I'm wishing on tomorrow, when will it come  
And I'm wishing on all the lovin' we've ever done

I'm wishing on a star to follow where you are  
I never thought I'd see a time when you would be  
So far away from home  
So far away from me

Just think of all the moments that we'd spent  
I just can't let you go from me, you were meant  
And I didn't mean to hurt you, and I know  
That in the game of lovin' you, I was slow

I feel it's time for us to make up, baby  
I feel it's time for us to get back together  
And make the best of things, oh, baby  
When we're together, oh whether or never

I feel it's time for us to make up, baby  
I feel it's time for us to get back together  
And make the best of things, baby  
When we're together, yeah whether or never

And I'm wishing on a star

And I'm wishing on all the rainbows that I see  
Wishing on all the people who've ever been  
Wishing on tomorrow, when will it come  
I'm wishing on all the lovin', we've ever done

That I'm wishing on a star  
To follow where you are, oh ya  
I'm wishing on a dream to follow where you been  
Said, "I'm wishing on a star"
