

# You Do Something to Me

Paul Weller

You do something to me  
Something deep inside  
I'm hanging on the wire  
For love I'll never find  
You do something wonderful  
Chase it all away  
Mixing my emotions  
Throws me back again

Hanging on the wire, yeah  
I'm waiting for my change  
I'm dancing through the fire  
Just to catch a flame  
Feel real again

Hanging on the wire, yeah  
Said I'm waiting for the change  
Oh I'm dancing through the fire  
Just to catch a flame  
Feel real again

You do something to me  
Somewhere deep inside  
Hoping to get close to you  
A peace I cannot find

Dancing through the fire, yeah  
Just to catch a flame  
Just to get close to  
Just close enough  
To tell you that...

You do something to me  
Something deep inside
