

Hillbilly Junk

Paul Westerberg

Gonna get higher
On that hillbilly junk
Gonna get higher
That hillybilly junk
Gonna get tired
That hillbilly junk
Hillbilly punk
On and on and on.

One, two, three
Take another pill, baby
Three, five, six,
Oh, there's whores up in them sticks

Gonna get higher
On that hillbilly junk
Gonna get higher
On that hillybilly junk

Beverly Hills (?)
Oh, baby, (?)
Oh, yeah!

Hillbilly junk

Take it all for yourself
Give a little back
Let people know
Where you stood
Where you stand

Gonna get higher
On that hillbilly junk
We'll get a little lighter
On that hillybilly junk
We'll get a little tired
On that hillbilly junk.
We'll get a little higher
Hillbilly junk
Higher
Hillbilly junk
Get a little higher
Hillbilly junk
