

Let The Bad Times Roll

Paul Westerberg

The good times hide
And so do I
Out of my control
I dig a hole

I'm gonna let the bad times roll
I'm gonna let the bad times roll

If that's all the time
That you got
Then I'd rather not
Waste my life on hold

I'm gonna let the bad times roll
I'm gonna let the bad times roll

Just add water
I'm disappointed
Just like my father
I miss the point
I need someone
not infection
Just add water
I'm disappointed

The good times hide
So will I
Watch the world roll by
From my hole

I'm gonna let the bad times roll
I'm gonna let the bad times roll
