

Soldier of Misfortune

Paul Westerberg

I'm a soldier of misfortune
And I don't know what I might do
I'm a soldier of misfortune
And I don't know what I might do

I gotta get leave
I'm a veteran of grief

I'm a soldier of misfortune
And I don't know what I might do

I gotta get leave
You want rueful? I've got a roomful
I'm a veteran of grief

I'm a soldier of misfortune
I'm a soldier of misfortune
Soldier of misfortune
Soldier of misfortune
