

## We don't know (where we are going)

Paula Cole

I've-a been met you  
Now I'm a dozy doe and  
Inside a capsule  
We're lost and I am calling on

Darling, it's a mystery  
We don't know where we are going  
Come along with me

We don't know where we are going  
But we're going anyway  
We don't know where we are going  
But we're going anyway

Life on the highway  
Inside a fast car, blinding  
And without wisdom  
I'll go wherever you go on

Darling, it's a mystery  
We do not know what love is  
Come along and see

We don't know where we are going  
But we're going anyway  
We don't know where we are going  
But we're going anyway  
We don't know where we are going  
(We don't know where we are going)  
But we're going anyway  
We don't know where we are going  
(We don't know where we are going)  
But we're going anyway
