

You're Still The One

Paula Fernandes

Oh, oh, you're still the one

Não há pra gente
Um lugar que seja longe
Você está distante
Partiu e eu sempre esperei

Vencer (vencer), saber (saber)
Que amar é viver
Seja onde for o céu ou escuridão
Não sinto medo de solidão

You're still the one I run to
The one that I belong to
You're still the one I want for life

You're still the one that I love
The only one I dream of
You're still the one I kiss good night

Ain't nothing better
We beat the odds together
I'm glad we didn't listen
Look at what we would be missin'

Vencer, saber
Que amar é viver
Seja onde for o céu ou escuridão
Não sinto medo de solidão

You're still the one I run to
The one that I belong to
You're still the one I want for life (oh, yeah)

You're still the one that I love
The only one I dream of
You're still the one I kiss good night
You're still the one

Still the one
You're still the one I run to
The one that I belong to
You're still the one I want for life

You're still the one
You're still the one that I love
The only one I dream of
You're still the one I kiss good night

Não há pra gente
Um lugar que seja longe
