A Song For You

Peabo Bryson

I've been so many places in my life and time
Sung a lot of songs and made some bad rhymes
Acted out my life on stages
With thousands, thousands of people staring
But now we're alone and I'm singing this song for you

Well, I know your image of me is what I hoped to be
I treated you unkindly
But baby, can't you see through me
There's no one more important to me
Baby, oh my baby
Now we're all alone and I'm singing this song for you

Well, you taught me your precious secrets
Of a true love, never, never never withholding nothing
You came out in front when I was hiding, yeah yeah
But now I'm so much better
And if my words, if my words don't come together
Kindly listen to my melody
Because my love is in there hiding

Well, I love you in a place where there's no space or time
I said I love you for my life, you' re a friend of mine
And when my life is over
I want you to remember, can you remember, we were together
And we were alone and I, I'm singing this song for you, oh oh o
h
We were alone, I was singing this song for you

(I sing for you now, baby) Yeah
(I sing for you now, baby) I was singing my song
(I sing for you now, baby) For you, baby
(I sing for you now, baby)

With my heart and soul, I was singing (singing my song)
Oh, I'm (singing my song) singing my song for you, baby
(It's just for you) With my heart in hand, singing (singing my
song)
Oh, I'm singing my song for you (singing my song for you)
(singing my song for you) Ah baby, I want you to remember
I was singing my song (singing my song)
Singing my song for you, baby (it's just for you)
Oh, oh, singing (singing my song) ah baby
Singing my song for you, baby (singing my song for you, baby)
