

# All She Wants To Do Is Me

Peabo Bryson

Caught up in a world of mass confusion  
People in and out of love like it's a game  
What we thought was a love was just illusion  
We both believe that things are never gonna change

But in you I found my destiny  
And my life will never be the same

I just can't get enough of you and me, sweet baby  
I like the way we love so [?]  
All she wants to do is me

So hard to hold it, you know we can't control it  
All she wants to do is me  
You gotta take me as I am, no expectations  
I'm giving each and every day like it's the end  
When it comes to love and close relations  
I wanna be more than just a lover, I'm a friend

Because in you I found the reason to be, girl  
My life will never be there same

And I can't get enough of you and me, my sweet baby  
I like the way we love so [?]  
All she wants to do is me

So hard to hold it, you know you can't control it  
All she wants to do is me (I know why she wanna do me)

'Cause I respect her and treat her like a woman  
Let her know, I really value her above all [?]  
And for her it doesn't get much better, especially for me

Baby, oh  
All she wants to do is me

I just can't get enough of you and me, oh baby  
I like the way we love so [?]  
Every little thing she does...

That makes it so hard to hold it  
You can't control it, oh baby  
All she wants to do is me

'Cause I respect her and treat her like a woman  
(Treat her like a woman, yeah)  
'Cause I respect her and treat her like a woman  
(Make her the only one)  
'Cause I respect her and treat her like a woman  
(That's call love)  
'Cause I respect her and treat her like a woman  
(Whoa, whoa, whoa)  
'Cause I respect her and treat her like a woman  
(I'll treat you baby, she my lady)  
Now all she wants to do is me  
'Cause I respect her and treat her like a woman  
(Come on, sing it, like a woman)

Now all she wants to do is me  
'Cause I respect her and treat her like a woman  
(Oh sweet baby, oh)  
Now all she wants to do is me  
'Cause I respect her and treat her like a woman  
(Oh baby) Now all she wants to do is me  
'Cause I respect her and treat her like a woman  
All she wants to do is me  
'Cause I respect her and treat her like a woman  
Now all she wants to do is me  
'Cause I respect her and treat her like a woman  
All she wants to do is me  
'Cause I respect her and treat her like a woman  
Now all she wants to do is me  
'Cause I respect her and treat her like a woman
