

# Come on over Tonight

Peabo Bryson

Oh, baby

I'm sitting all alone in the twilight glow  
Got the music high and the lights down low  
Sounds of the city rising up from the street  
The nights on fire, it's too hot to sleep  
I've been lost in love since I found you  
And I get the feeling you feel it too

(Won't you come)  
Come on over, baby, come on, come on  
(Baby, come on)  
Come on over tonight  
(Let's make love)  
Let's make love, it's been so long, so long  
(It's been so long)  
Help me put out this fire inside  
Won't you come on over tonight

Don't get dressed, you can come as you are  
Just drive through the night, girl, it's not that far  
I wanna show you what I'm reaming of  
Let's turn off the lights and turn on the love  
Please don't deny us, this pleasure tonight  
Trust in me now, let your heart decide.

(Won't you come)  
Come on over, baby, come on, come on  
(Baby, come on)  
Come on over tonight  
(Let's make love)  
Let's make love, it's been so long, so long  
(It's been so long)  
You've got nothing to lose but your pride  
Won't you come on over tonight

Oh, baby

I've been lost in love since I found you  
And I get the feeling you feel it too, whoa...

(Won't you come)  
Come on over, baby, come on, come on  
(Baby, come on)  
Come on over tonight  
(Let's make love)  
Let's make love, it's been so long, so long  
(It's been so long)  
Help me put out this fire inside  
(Baby, I need you)  
Come on over, baby

Come on over, baby, come on, come on  
(Baby, come on)  
Come on over tonight  
(Let's make love)  
Let's make love, it's been so long, so long

(It's been so long)  
You've got nothing to lose but your pride  
(Baby, I need you)  
Come on over, baby...
