

Eye On You

Peabo Bryson

I hope you're ready
'Cause I've got what you're looking for
If you like me
Something strong and steady
Like you never had before
If you let me

Tonight you're mine
If you wanna spend some time, my baby
If you're looking for romance
I'm here to do what you want me to
I've been waiting for the chance
To be with you, you

Anticipation
That's what I'm feeling, baby
(Oh, baby)
A revelation
I've got my eye on you
So much emotion
I must be dreaming
(I'm dreaming)
Poetry in motion
(Oh, baby)
I've got my eye on you

Don't try to fake it
Are you just too blind to see
How much I want you, oh...
Come on and take it
All this passion that's inside of me
You know you want to, yeah

Tonight you're mine
If you wanna spend some time
If you're looking for romance
I'm here to do what you want me to
I've been waiting for the chance
To be with you, you

Anticipation
That's what I'm feeling, baby
(Oh, baby)
A revelation
I've got my eye on you
So much emotion
I must be dreaming
(I'm dreaming)
Poetry in motion
(Oh, baby)
I've got my eye on you

You, you, you, whoa...
(Got my eye on you)
So much emotion
I must be dreaming, baby
I've got my eye on you, you, you

Oh, baby, oh...
(Got my eye on you)
So much emotion
I must be dreaming, baby
Poetry in motion
I've got my eye on you

Anticipation
(You, you, you)
That's what I'm feeling, baby
(Oh, baby)
A revelation
I've got my eye on you
So much emotion
(You)
I must be dreaming
(I'm dreaming)
Poetry in motion
(Oh, baby)
I've got my eye on you...
