

I Get Nervous

Peabo Bryson

Nervous
Nervous

Nervous, nervous, nervous
Nervous, nervous, nervous

I'm in a state of shock
Emotional emergency
Oh, well the girl is hot
And she's making eyes on me
I start to shiver, start to shake
My temperature's 103
I fall apart
Whenever she gets close to me

You know, I get nervous
I'm upset, well
She gets me nervous
A total wreck
She gets me nervous
(Nervous, nervous, nervous)
She's makin' me nervous
(Nervous, nervous, nervous)
I'm out of control
Out of control

Now when she's on the town
You know she's always dressed to kill
And when she comes around
She makes the whole room stand still (ah!)
I take a lighter from my pocket
But I can't get a cigarette lit
'Cause I'm shook
I never know how far I'll get

You know, I get nervous
I'm all upset, well
She gets me nervous
A total wreck
She gets me nervous
(Nervous, nervous, nervous)
She's makin' me nervous
(Nervous, nervous, nervous)
I'm out of control

I'm alright without you
I'm alright
Until I see your face and I lose control
You know I get nervous

I start to shiver, start to shake
My temperature's 103
Well, it's serious
Whenever she gets close to me

B-b-b-babe, I get nervous
Nervous

(Nervous, nervous, nervous)
(Nervous, nervous, nervous)

I'm alright without you
I'm alright
Until I see your face and I lose control

B-b-b-babe, I get nervous
I'm all upset, yeah
She got me nervous
A total wreck
She's got me nervous
(Nervous, nervous, nervous)
She's makin' me nervous
(Nervous, nervous, nervous)
I'm out of control

Nervous, I'm all upset
She's got me nervous
I'm a total wreck
She's got me nervous
(Nervous, nervous, nervous)
Quiver and shake
(Nervous, nervous, nervous)
I'm out of my mind
Out of my mind

I feel the chills
(Nervous, nervous, nervous)
Rollin' up and down my spine
(Nervous, nervous, nervous)
Makin' me nervous
I'm out of control

(Nervous, nervous, nervous)
(Nervous, nervous, nervous)
I'm out of control
She's makin' me nervous

Nervous
(Nervous, nervous, nervous)
I'm out of my mind
(Nervous, nervous, nervous)
Out of my mind
She makes me so nervous...
