

# Love Like Yours And Mine

Peabo Bryson

When I think about love  
Girl your face is all I see  
Girl, when I think about your touch  
You know I'll [?] constantly  
Oh, baby

You are my impossible  
You know you're everything to me  
Can't you see  
You are my puzzle, so unsolvable  
You're my greatest mystery, eternally  
There is no love like yours and mine  
It's one of a kind

Ooh, when I think about your kiss  
And what I'm gonna get  
My whole world turns upside down  
Girl, my one and only wish  
Is that you'll always  
Always be around 'cause, baby

You are my impossible

You know you're everything to me  
Can't you see  
You are my puzzle, so unsolvable  
You're my greatest mystery, eternally  
There is no love like yours and mine  
It's one of a kind

This love will stay forever on my mind  
This love will last until the end of time  
This love, I believe in its divine  
No we won't fade away

Oh oh oh oh  
You're my mystery  
Can't you see  
You are my puzzle, so unsolvable  
You're my greatest mystery, eternally  
There is no love like yours, yours and mine  
It's one of a kind
