

She's A Woman

Peabo Bryson

The eyes of appear behind her smile
And tells you all the things she really feels
Yeah, yeah, yeah, yeah
Her love is made of give and take
But the law she gives, you may never see

She's a beautiful flower
Yeah yeah
Just when, you think that, she's about, to fall apart
Suddenly, without a warning
She finds, the courage, from somewhere
Somewhere deep inside her heart, well well
She makes you realize

She's a woman
That lady is a woman

You are my wild and beautiful, girl
wild and beautiful
I just wanted you, wanted you to know
You want the song, that I sing
The only, only song I sing is you
Plant your seed and surely, love will grow

And sometimes I can feel her pain
As she holds on tight, and I make love to her, well, well, well
And even though her heart may break
She may never show, how much she really hurts, no, no, no no no

She's a beautiful flower, yeah, yeah
Just when, you think that, she's about to fall apart
Suddenly, without a warning
She finds, the courage, from somewhere
Somewhere deep inside her heart
And then you realize

That she's a woman
That lady is woman
She's a woman
