

# Smile

Peabo Bryson

Why can't you see that I love you, girl  
Well, I'm singing my love in the words of a song  
Taking your chance is the way of the world  
Just be for real or leave it alone

Come on, smile, just for a while  
Think of all the beautiful things  
Two people in love can be

Yeah, yeah, yeah, yeah, yeah, yeah  
Think it about, hey  
(You've got to think)  
Think of what I'm saying  
You've got to get your mind together, whoa...  
Yeah, yeah, yeah, yeah

I know you feel there can be no tomorrow  
I'm giving my love hard as I can  
There ain't no reason to drown in your sorrow  
I wasn't there, but I sure understand

Come on, smile, just for a while  
Think of all the beautiful things  
Two people in love can be

Yeah, yeah, yeah, yeah, yeah, yeah  
Think it about  
(You've got to think)  
Think of what I'm saying  
You've got to get your mind together, whoa...  
Yeah, yeah, yeah

Whoa, smile, just for a while  
Think of all the beautiful things  
Two people in love can be

Yeah, yeah, yeah, yeah, yeah, yeah  
Think it about  
(You've got to think)  
Think of what I'm saying  
You've got to get your mind together  
Yeah, yeah

Whoa-oh-oh-oh-oh-oh-oh...

Smile, girl, uh-huh, just for a while  
Come on now!  
Smile, girl, uh-huh, caress your style  
I really love you, baby, need you, baby, well  
I really do, yeah

Smile, girl, uh-huh, just for a while  
Smile, girl, uh-huh, love has no pride  
I really love you, baby, need you, baby  
I really do

Smile, girl, uh-huh, just for a while

Smile, girl, uh-huh, caress your style  
I really love you, baby, need you, baby  
I really do, yeah, yeah

Smile, girl, yeah, yeah, yeah, yeah...
