

# Stand For Love

Peabo Bryson

Come on, come on, come on  
Come on, come on, come on

You know falling is forbidden this evening up in here  
But it's alright for you to get on up and hold your baby near  
All the ladies gonna be nice, all the fellas gonna act right  
And we ain't gonna fall for nothing, we're gonna stand for love, ah yeah

We're about to party, so let's get started, uh-huh  
We're gonna burn the candle 'til the early morning  
And it's all about a good time  
I ain't asking you to be mine  
This is all about spreading the love and trying to clear my mind, oh yeah

Ain't nobody acting funny  
Ain't about a bunch of money  
I'm about to grab a honey  
I love it, I love it, I love it
