

There's No Getting over You

Peabo Bryson

Whoa...

La, la, la-la-la-la, la

Oh-oh-oh-whoa...

Nothing very out of the ordinary

Just a simple smile or two

Then all of a sudden

A whole lot of trouble

And changes I'm going through

What I need is time

To get over and you in my mind

I don't know I'm gonna do

In my heart, I know

That there's no getting over you

This time no, not this time

Oh-oh-oh, no, not this time

Something sentimental

Something very gentle

That I've never felt before

A sweet sensation

But there was some complications

And some went up and closed the door

It's gonna take some time

Learning how to live without

But I'll do fine

Somehow I'll make it through

And I won't let it so

That there's no getting over you

This time, no, not this time

No getting over this time

There is no getting over you this time
