

# When Will I Learn

Peabo Bryson

Memories of days gone past  
You and me and what we had  
That was long ago  
When you still were my friend  
Well, I, I guess I'm still in love with you  
And you say you love me too  
But the love won't grow  
So the love must come to an end

Love will make a weak one strong  
Separate the right from wrong  
When you play with fire, someone gets burned  
It was the right thing but the wrong time  
When will I learn, yeah

Time will heal a broken heart  
Tell us when to stop and start  
Who am I to say  
When it's time for you to love me  
I believe love will make a weak one strong  
Separate the right from wrong  
Who am you to say  
Whether love should stop or begin, yeah

Will I ever learn

Love will make a weak one strong  
Separate the right from wrong  
When you play with fire, someone gets burned  
It was the right thing but the wrong time  
When will I learn, when will I learn

Whoa-oh...  
(Love will make the weak one strong)  
Yeah, yeah  
(Separate the right from wrong)  
Whoa...  
(Love will make the weak one strong)  
Yeah, yeah  
(Separate the right from wrong)

When will I learn  
It was the right thing but the wrong time  
When will I learn, learn, yeah

(Love will make the weak one strong)  
(Separate the right from wrong...)
