

Flirting USA

Peace

In the morning
In the evening
In the night

We'll be talking
we'll be teething
We'll be right
Tomorrow we were leave in
you flirting way
In The dirty days of

I'm feelin' bohemian
in A free stuff I know because I know
(in the morning in the morning)
I will fly away, fly away
(in the morning in the morning)
Such float we me
flirting USA

He is the garbage

Doesn't know me
Doesn't care
he is girlfriend
She's pretty
She's staring threw me

Tomorrow we were leave in
you flirting way
In The dirty days of
I'm feelin' bohemian
A free stuff I know because I know

(in the morning in the morning)
I will fly away, fly away
(in the morning in the morning)
Such float we me
flirting USA
