1. Drive down the street can't find the keys to my own f\*\*\*ing home

**E5 D5 E5 C5**  
I'll take a walk so I can curse my ass for being dumb

**E5 D5 E5 C5**  
I'll make a right after the arches, stinking grease and bone

**E5 D5 E5 C5**  
Stopped at the supermarket people stare like I'm a dog

**E5**  
R: I'm going to Lukin's  
**D5**  
I've got a spot at Lukin's  
**C5**  
I knocked the door at Lukin's

**C5 D5**  
Open the fridge, now I know life is worth

2. I found the key but I return to find an open door  
Some f\*\*\*ing freak who claims I fathered by rape her own son  
I find my wife, I call the cops, this day's work's never done  
e  
The last I heard that freak was purchasing a f\*\*\*ing gun
