

## Playmate

### Pearls Before Swine

Well, playmate, come out and play with me  
And bring your dollies three, climb up my apple tree.

Holler down my rain barrel, slide down my cellar door  
And we'll be jolly friends forever more.

Well, playmate, I can't come play with you  
My dolly's got the flu, boo hoo hoo, hoo hoo hoo.

I got no rain barrel, I got no cellar door  
But we'll be jolly friends forever more.
