

All I Need Is You

Peggy Lee

I don't need a million dollars
To make my dreams come true
Baby, all I need is you

I don't need a fortune teller
To tell my troubles to
Baby, all I need is you

Don't need the sun, don't need the stars
For at last I realise
I found the sun, I found the stars
Shining in your eyes

I'm right at the gates of heaven
And I could walk right through
Baby, all I need is you

Baby, all I need is you
