

## Full Moon

Peggy Lee

I've been living with a shadow overhead  
I've been sleeping with a cloud above my bed  
I've been lonely for so long  
Trapped in the past, I just can't seem to move on

I've been hiding all my hopes and dreams away  
Just in case I ever need 'em again some day  
I've been setting aside time  
To clear a little space in the corners of my mind

All I want to do is find a way back into love  
I can't make it through without a way back into love, oh oh oh

I've been watching but the stars refuse to shine  
I've been searching but I just don't see the signs  
I know that it's out there  
There's got to be something for my soul, somewhere
