

I Can't Resist You

Peggy Lee

I can't resist you
Heaven knows that I should
And I would if I could
But I can't, I can't, I can't

I can't resist you
When I'm looking at you
You can practically do
As you please

I'm yours completely
From my head to my toes
Every part of me knows
That I'm yours, I'm yours, I'm yours

I'm yours completely
Every time that you speak
I begin to get weak
In the knees

I try to be strong
But something goes wrong
I'm in your power when I'm in your arms
I've tried to stop fate
But now it's too late
So I, I don't even try

Cause I can't resist you
I'm a coward to say
You affect me this way
But you do, you do, you do

I can't resist you
Heaven knows that I should
And I would if I could
But I can't, I can't resist you
