

I'm Walking Through Heaven with You

Peggy Lee

I'm walking through heaven with you
'Cause in heaven, I've made my debut
My hard days, my heartaches are through
'Cause I'm walking through heaven with you

Strolling down the golden streets
Sweetheart, fate was kind to have us meet
I'm bidding my troubles adieu
'Cause I'm walking through heaven with you

I'm bidding my troubles adieu
'Cause I'm walking through heaven with you
