

## Listen to the Rockin' Bird

Peggy Lee

Listen to the rockin' bird, listen to the rockin' bird  
He rocks and rolls while he flies around the sky  
Ooh listen to the rockin' bird, listen to the rockin' bird  
He's flyin' high and here's his reason why

Oh I rock all day and the breezes on the branches of trees's  
Rock and roll all day in the trees's  
On the branches of the trees's of the day

Listen to the rockin' bird imitate a mockingbird  
Or sing the blues like a bluebird never sang  
Don't tell me you've never heard  
Never heard a-rockin' bird  
He rocks and rolls and mocks the whole shebang

The rockin' bird, the rockin' bird  
The bird, the bird, the rockin' bird, the bird  
Ooh listen to the rockin' bird, listen to the rockin' bird  
That's simply shocking, popping, bopping, mocking  
Rockin' bird
