

Little Boat

Peggy Lee

My little boat is like an oat
Bouncing merrily along, here it's flapping up the sun
The sails are white, the sky is bright
Getting out into the blue, with a crew of only two
Where we can share love's salty air
On a little paradise that's afloat

Not a care have we in my little boat

The wind is still, we feel the thrill
Of a boat heaven-bound, though we've only dipped around
Warm by the sun, two hearts as one
Beating with enchanted bliss, with each other's kiss
When they lie in, then I sing
Little stars twinkle brightly above

Kiss goodbye to my little boat of love

When they lie in, then I sing
Little stars twinkle brightly above

Kiss goodbye to my little boat of love
Goodbye little boat
Goodbye little boat
