My little boat is like an oat
Bouncing merrily along, here it's flapping up the sun
The sails are white, the sky is bright
Getting out into the blue, with a crew of only two
Where we can share love's salty air
On a little paradise that's afloat

Not a care have we in my little boat

The wind is still, we feel the thrill
Of a boat heaven-bound, though we've only dipped around
Warm by the sun, two hearts as one
Beating with enchanted bliss, with each other's kiss
When they lie in, then I sings
Little stars twinkle brightly above

Kiss goodbye to my little boat of love

When they lie in, then I sings Little stars twinkle brightly above

Kiss goodbye to my little boat of love Goodbye little boat Goodbye little boat
