

## So What's New?

Peggy Lee

So, tell me babe what's new and how's the scene with you?  
Gee, it's good to see you, babe  
Yeah, I missed you so, how, you'll never know  
Gee, it's good to see you, babe

You walked in, lights went on all over my face  
You lit up the place and you've been gone just too long, now

So, tell me babe what's new? You glad to see me too  
Hey, my world is spinnin', now I know I'm winnin'  
You stay home now, don't ever roam now  
And I'll say baby, it's so good to see you

Gee, it's good to see you, babe  
Gee, it's good to see you, babe

You walked in, lights went on all over my face  
You lit up the place and you've been gone just too long, now

Tell me babe what's new? You glad to see me too  
Hey, my world is spinnin', now I know I'm winnin'  
You stay home now, don't ever roam now  
And I'll say baby, it's so good to see you
