Please don't let this feeling end It's everything I am Everything I want to be I can see what's mine now Finding out what's true Since I found you Looking through the eyes of love Now I can take the time I can see my life as it comes up shining now Reaching out to touch you I can feel so much Since I found you Looking through the eyes of love And now I do believe That even in the storm we'll find some light Knowing you're beside me I'm all right Please don't let this feeling end It might not come again And I want to remember How it feels to touch you How I feel so much Since I found you Looking through the eyes of love And now I do believe That even in the storm we'll find some light Knowing you're beside me I'm all right Now I can take the time I can see my life as it comes up shining now Reaching out to touch you I can feel so much Since I found you Looking through the eyes of love
