

# You Don't Know

Peggy Lee

You don't no how much I love you  
You don't no how much I care  
You don't know much I need you  
Without you life I can't bear

You don't know baby, you don't know baby,  
You don't know baby, no you don't,  
You don't know baby, no you don't,  
No you can't know how I feel

The flame that you left is still burning  
Burning down deep in my soul  
I think of all your loving and kissing  
It's you I wanna hold

You don't know baby, you don't know baby,  
You don't know baby, no you don't,  
You don't know baby, no you don't,  
No you can't know how I feel

All of my friends call me crazy  
For actin' the way that I do  
But I just can't help myself  
'Cause I'm still in love with you

You don't know baby, you don't know baby,  
You don't know baby, no you don't,  
You don't know baby, no you don't,  
No you can't know how I feel  
You don't know baby, no you don't,  
No you can't know how I feel
