The Island

Pendulum

You arrive In the rising sun The hidden passenger That I've been taking

Close your eyes Let's forget again As you drag me down I will take you in

What are you waiting for? Just surrender here tonight What are you waiting for? As we go towards the light

When everything is said and done Still looking for answers, if only one Turn my back, the urge has gone Left with no reason, we come undone

I am caught In your slow release Seems like your traveler's Eager to move me

My reflection Will slowly fade To another time Until my head escapes

What are you waiting for? Just surrender here tonight What are you waiting for? As we go towards the light

When everything is said and done Still looking for answers, if only one Turn my back, the urge has gone Left with no reason, we come undone
