

Prayer For An Exit Before The Dead End

Pentagram

I see blasphemous gates
Which hide mankind's fate
The unwritten truth
Inside chaotic shades

Threshold of fatality
Antagonic insanity
Heretic dream of sin
Way into Profanity

Prophets fall
From their thrones
Built with blood
Built of stone

Scriptures burn
In the rage
Only words
From the sage

Profaner of illusion
Profaner of reality

Profaner of life
Profaner of mortality
