

## Send In The Horns

Pepper Rabbit

I won't fight I will not conquer  
I won't try to impress your mother  
I will not dine out late with father  
We won't sip wine and talk to each other

I will not wait for you  
I will not stay for you  
I'm in the waiting pool

I won't drink from sweetest goblets  
I won't break your sister's habits  
I cannot say why I am leaving  
I cannot leave until the morning

I want it all away
