

Do Something

Pepper

Do you feel this
I know you feel this
Are You ready?
I don't think so

Somebody give me my truck
So I can ride on the clouds
So I can turn up the bass like...

Somebody pass my guitar
So I can look like a star
And spend this cash like...

What you gonna do when the crowd goes A-yo?
Why you standin' on the wall?
Music startin' everywhere
So why don't you just move along?

I see you lookin' at me
Like I'm some kind of freak
Care to buy me a seat
Why don't you do somethin'?

I see you lookin' at me
Like I got what you need
Get on up and,
Why don't you do something?

Now you all in my grill
Cause I say what I feel
Only rocks on what's real
Baby bump bump
But I can't do that with you
Only here with my crew
I can roll if you can
Don't be a punk punk

What you gonna do when the crowd goes A-yo?
Why you standin' on the wall?
Music startin' everywhere
So why don't you just move along?

I see you lookin' at me
Like I'm some kind of freak
Care to buy me a seat
Why don't you do somethin'?

I see you lookin' at me
Like I'm some kind of freak
Care to buy me a seat
Why don't you do somethin'?

Na nananananana
Uh!
Na nananananananana

I see you lookin' over here

Cant you tell I'm havin' fun
If you care like I know
You would stop
starin' at us
And get your own space
And do something

I see you lookin' at me
Like I'm some kind of freak
Care to buy me a seat
Why don't you do somethin'?

Fuck!
Do something
Ow!
Why don't you do something?
