

## Tongues

Pepper

Chop up your heart with my truthfull tongue. Don't touch me girl  
until the song is done, and when  
I leave you'll hear the song I've sung that is the way I'll have  
my fun....Sleepin creepin evidence your  
leavin wish you were here so I could sleep just shy of a lie. Open  
up the window sill find a cold peice of  
anything that I ever loved...only thing I ever loved...

Does she know my name? Doesn't mean a thing, and if my luck don't  
change I'll probly be the last  
one standing.....standing here...probly be the last one standing  
here.

Does she know my name? Doesn't mean a thing, and if my luck don't  
change I'll probly be the  
last one standing. Climb through my window please, get on my bed  
and freeze and if my mind don't change  
I'll probly be the last one standing here...Lord, standing here  
....only thing I ever loved... only thing I  
ever loved...only thing I ever loved...only thing I ever loved  
was .....

You (sleepin creopen evidence your leavin) you are the last one  
....
