

Drowning in Wonderful Thoughts about Her

Per Gessle

Hurry yea!
Got something to do
that must get done
Hurry yea!
I'm about to move and sit in the sun

I've been standin'
in the shade of a shadow
I feel like drownin'
in wonderful thoughts about her
and it's alright

Hurry yea!
Call the papers
spread the words today
Hurry yea!
Left for good I'm finally on my way

To kick the cryin'
has taken forever
but now I'm drownin' in wonderful thoughts about her
and it's alright

I think about her
and I'm doing fine

Hurry yea!
Got something to do
that must get done
Hurry yea! I'm about to move
and sit in the sun

To kick my cryin'
has taken forever
but now I'm drownin'
in wonderful thoughts about her
and it's alright

I think about her
and I'm doin' fine
